OPINION

Pursuant to 28 U.S.C. § 2255, petitioner Prentcess Deshun Walker, a federal inmate, filed this lawsuit seeking habeas relief. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that Walker's writ petition be denied in part and granted in part, and his motion to amend be denied as moot. There are no objections to the recommendation. By agreement of the parties during an on-the-record conference call on October 18, 2017, that Walker should be resentenced in full, and after an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation

should be adopted.

An appropriate judgment will be entered.

DONE, this the 26th day of October, 2017.
